### APPLY FOR A PATIENT ORGANISATION PROFILE

The EADV Patient Working Group invites Patient Organisations to apply for a fully supported, complimentary virtual profile at EADV's 30th Anniversary Congress.

The collaborative space allows Patient Organisations and specialists to interact, share patient advocacy best practice and resources, and meet virtual visitors during the Congress. It is an opportunity for health care professionals to learn about the work and importance of patient organisations and share common interests.

To apply, register on the EADV Online Portal by **30 July 2021**.

Guidelines on how to register on the EADV Online Portal can be found in the user manual, or contact [exhibition@eadvcongress.org](mailto:exhibition@eadvcongress.org) for support.

#### Patient Organisation Profile Benefits & Features

- Complimentary access to Congress scientific sessions for two representatives of your organization
